El Boulevard.

The shopping mall is located in the suburbs of Victoria, the capital of the independent Basque Community.

The mall was opened at the end of 2008 and it includes various types of shops, "Eroski" commercial area, bars, restaurants etc.

The commercial area of the shopping mall is 200.000 sqm over two levels.

*The external surface of the facade is cladded by **SICIS** Mosaics for an area of approx. 4.000 sqm of which about 3.000 sqm are made of a Red blend and 1.000 sqm of a Blue blend both pertaining to the **Murano Smalto** collection.*

The project is of the Architect Raimundo Argueso.
