

A photograph of the Shanghai skyline featuring the J Hotel Shanghai Tower, a tall, curved skyscraper with a glass facade, rising above a sea of white clouds. The sky is a mix of blue and white, with soft lighting. Other skyscrapers are visible in the background, partially obscured by the clouds.

J Hotel Shanghai Tower

SICIS

J Hotel · Shanghai Tower

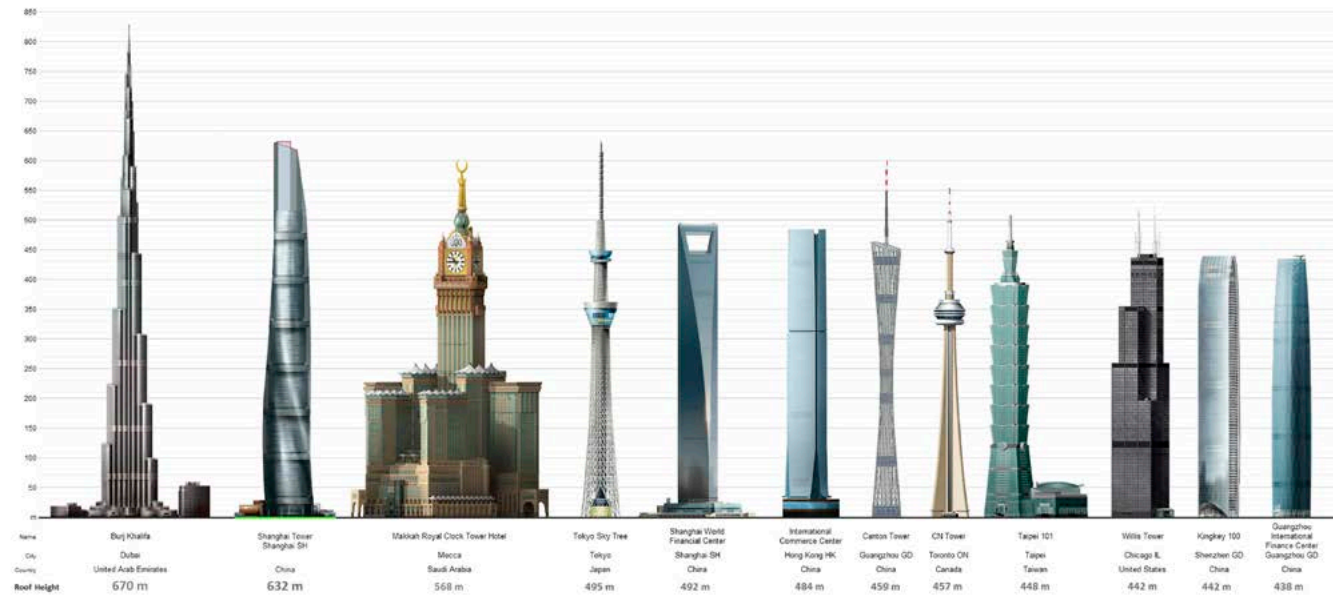

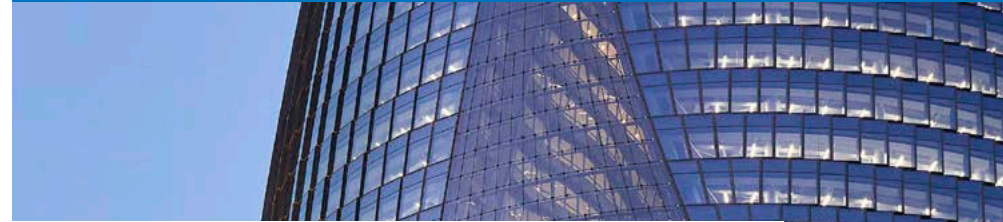

J Hotel Shanghai Tower boasts 165 rooms, including 34 suites. The staterooms and suites are located from Floors 86 to 98 and vary from 61 square meters to 380 square meters, making them some of the highest and most spacious options in Shanghai. Nestled into the Shanghai Tower's spiral, every stateroom has unique views. Beginning at the Huangpu River and cutting through the heart of the city below, guests have access to Shanghai's diverse and spectacular urban scenery, from the Bund and the Oriental Pearl Tower to the expanses across Puxi and Pudong.

J Hotel Shanghai Tower has reached a new milestone of success among China's homegrown hotels as it occupies the highest point in Shanghai. J Hotel weaves together broad influences from different realms of art and culture to bring a unique luxury perspective to Shanghai. It merges artistic touches throughout its design for palatial staterooms and the best in lifestyle, wellbeing, food & beverage, technology, and hospitality services, presenting an exclusive travel experience crafted with authentic Chinese flair.
