OUTSIDE ENTERTAINMENT: A 42-inch, waterproof TV with a swivel arm is mounted on the sun deck's port wall.

AMENITIES: A teak-clad exterior shower and the adjacent dayhead mean guests don't need to leave the fun on the sun deck.

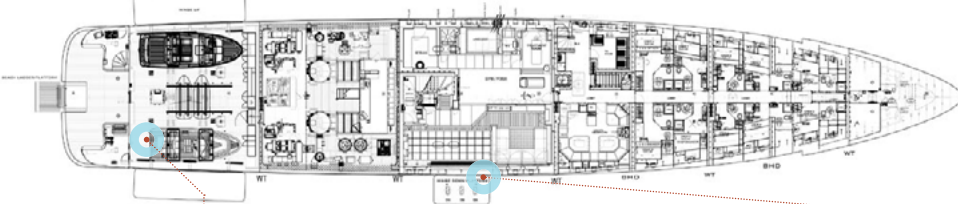

DUAL DAYHEADS: A small dayhead for the owner was added to his study and another is located off the lobby for guest use.

CREW ACCESS: With the owner's suite amidships, the designer had to incorporate two sets of service stairs so crew could get fore and aft.

CREW DOMAIN: A crew corridor leads to a very large pantry and onto the galley, which offers plenty of storage and counter space.

GUEST CABINS: Four double suites and a twin-berth cabin with an adjoining playroom are all located on the main deck.

GARAGE: The garage can house two tenders, one of them a limo. Side doors hinge up for easy access.

SPA: Guests can take a dip in the sea following their spa treatment or workout, thanks to a folding door that doubles as a swim platform.

*Tank Deck omitted
